

# Angel Tree

The Salvation Army Angel Tree Project is an excellent way to express our gratitude for our many blessings by sharing what we have with those less fortunate. Through this project and your generosity, children who might not otherwise receive a Christmas gift are able to receive one. Think of their excitement on Christmas morning!

The silver Angel Tree is located in the Administrative Building hallway near Room A-12. To participate, simply choose an angel and then follow the directions posted nearby. Please be sure to leave a phone number by your name when you sign out an angel. And remember that if a child wishes to choose an angel, they should do so with an adult.

December 3<sup>rd</sup> is the deadline for returning unwrapped gifts to the Church.

The Children's Sunday School Class is assisting with this year's project. Questions? Please contact *Lillian Barnette*.
