- **Faith and Film** **Adults** **Room A-12**
Movie clips draw out Scriptural themes, engaging the class in discussion of their application in everyday situations. A variety of interesting and relevant topics are covered throughout the year as the class enjoys fellowship while applying these bits of wisdom to their daily lives.
- **Coffee Talk** **Adults** **Room F-12**
This class begins sipping and chatting each week around 9:45 with hot coffee (usually from Starbucks!) before viewing videos from the Animate series, Faith from Sparkhouse (a journal is available for purchase through Amazon or Cokesbury). The facilitating rotates around and each week a different “mover and shaker” in the protestant church shares their thoughts and views of a bit of theology. It is very fresh and there is no homework, so all adults are invited to give the class a try!
- **Wayland** **Senior Adults** **Room A-2**
Members of this class share their wisdom and faith with one another as they use the David C. Cook Bible-in-Life series. This comprehensive Bible study focuses each week on a different Scripture passage, which is studied and then followed by a discussion of its application to everyday life.
- **Middle and High School** **6th - 12th Grade** **Room E-1**
This class is an opportunity for all Youth to participate in a weekly devotional time together.
- **Children** **Pre-Kindergarten - 5th Grades**
As you enter the Education Building, parents are invited to please check the bulletin board located on the right side of the upstairs hallway for weekly lesson and room information for your child.
- **Nursery** **0 - 3-year-old** **Room E-14**
